this book entitled *Korean Working Culture: Understanding the Unique Challenges and Opportunities of Working in a Korean Company* provides a comprehensive overview of Korean working culture from job seeking to unique challenges and opportunities that Korean workers face. It is an essential resource for anyone interested in learning more about this fascinating and complex topic. It would be a valuable resource for students, researchers, business professionals, and anyone curious about Korean culture.

Part I of this book discusses the different ways to find a job in South Korea, including the importance of networking and the prevalence of part-time jobs for teenagers. It also explores the Korean obsession with becoming a civil servant and the difficulty of passing the exam.

Part II examines the hard work ethic prevalent in Korean culture and how the country's rapid economic development has shaped it. It also discusses the importance of collective decision making in Korean organizations and the unique leadership style of Korean CEOs.

Part III looks at the business etiquette expected in South Korea and the Kim Young-ran Act, which prohibits gift giving in the workplace. It also explores the Korean fashion standards that middle-class workers follow.

Part IV introduces some of the special terms that are used in the Korean corporate world, such as chaebols (conglomerates), changpi (resignation because of embarrassment), gi boon (concept of mood in Korean work culture), gabjil (abuse of power in the workplace), and nunchi (concept of social awareness in Korean work culture).

Part V looks at some of the darker sides of Korean work culture, such as job stress, the impact of hustle culture on employees' mental and physical well-being, harsh reprimands in public, discrimination, bullying, and gwarnosa (working to death). The book concludes by discussing the challenges and opportunities for Korean work culture. It argues that the country needs to find a way to balance its hard work ethic with a greater focus on employee well-being.
